

This gives only a summary of the cover provided and it does not give details of all the terms, conditions and exclusions. A full policy wording is available on request from your Insurance broker or adviser.

Property Owners Combined is specially designed for owners, including head lessees, mortgagees or managing agents (if insuring in the name of principals) of tenanted business or industrial premises.

Cover for Buildings is provided on an 'Accidental Damage' basis to help protect a Policyholder's interests and avoid potential difficulties with tenants following a loss. Cover can be restricted to 'Fire and Perils only' on request. Liability to the Public arising out of ownership of the Buildings you insure can be included.

Optional covers are also available for:

- Rent
- Glass
- Employers' Liability

We are confident that Property Owners Combined will cater for the needs and requirements of most commercial property owners, although, if required, cover can be tailored to suit your individual needs or reflect specific lease stipulations.

NOTE: Property Owners Combined is not suitable for Property Developers, or for owner occupied blocks of flats for whom more appropriate policies are available. Our professionals version of the policy is more suitable for portfolios of property.

NOTE: In your policy, your Rent Sum Insured on each Building will be determined by multiplying Annual Rent by the Period of Rent selected.

Cover will be provided subject to a maximum limit of 200% of the Rent Sum Insured to cater for any rent reviews/increases **after** the current Period of Insurance.

Remember

You should reconsider the adequacy of your Sums Insured whenever you refurbish or extend your premises or increase the Rent.
